**Physical training takes place on a Tuesday. Players who play school hockey are not expected to attend physical training and should only attend one training session per week. If you are attending more than one a week, please ensure that this is in agreement with your parents. If you are involved in underage provincial or international teams, you are not expected to attend any training sessions but please let your captain or coach know if you are not attending training and why.

Umpiring

Ensuring that each team has an umpire every week is vital to the smooth running of the men's section club. An umpiring rota with rules will be issued over the coming few days. The basic rule will be "**If you cannot do the slot you have been appointed to, you must find a replacement**".

Games

Games in general will take place every Saturday, please keep this in mind and make yourself available each week. You should receive a communication (text or call) with details of your match on the Tuesday prior to each weekend. Please respond to all captains straight away. Do not leave it to the last minute to respond.

Fundraising / Sponsorship

As with any club, fundraising and sponsorship are vital for the running of the club. With this in mind I would ask that you all attend and support all events (social & fundraising) organised throughout the year (age permitting).

The club are setting up a fundraising committee that will be tasked with much needed fundraising. More details on this will follow over the coming weeks. If you, your employer or parents have the ability to sponsor the club or if you have any ideas or keen to get involved in fundraising, please let me know.

Club Draw

The club run a monthly draw; tickets cost €120 for 12 monthly draws. If you are not in the draw and would be willing to purchase a ticket, please let me know.

New Members

If you know of any hockey players that are keen to get back playing or school / college players looking to join a club, why not get them to consider joining CHC.

General Reminders

- Support your captains in responding to selection calls & attending training.
- Support other club members by completing your umpiring duty.
- Support as many fundraising and social events as possible.
- Always remember you are representing your club when playing hockey and at any social events.

If you want to contact me or talk through anything or would be keen to get involved in the running of the men's section, just give me a call on 087 22 151 66 or drop me an email to billy.oriordan@pioneerinvestments.com or mensclubcaptain@chc.ie.
