

Corinthian Hockey Club

Founded 1934

www.chc.ie

JUNIORS UNIFORM AND EQUIPMENT

Boys - Red tops/white shorts/white socks

Girls - Red tops/black shorts/skort/black socks, red&white striped rim

For the younger age group and taking into account that hockey is a winter sport, black tracksuit bottoms are worn.

Last year we ordered tracksuit for the junior section of the club and it was well received. We will consider doing that at the beginning of the season.

Some of the kit is available from Ed sports which is located at TRR on Saturdays. We also use Gilmore Sport in Ballyogan estate.

It is not imperative, certainly up to age 12, to have a top with a Corinthian logo on it.

Shin pads and gumshields are strongly advised to be worn and children may not allowed play without them.

We strongly advise that proper trainers are worn.

Players should wear very little jewellery and tracksuits should not be trailing on the ground as this could lead to unnecessary injury.
